

Korea Doosan Heavy Industry & Construction Visited Our Company

(Hong Kong, 26 April 2011), in the morning of 26 April 2011, a delegation led by Mr. Kim,Jeong Soo, Executive Director (Water Division) and Vice President of Korea Doosan Heavy Industry & Construction Eastern Asiatic Region, visited our Group. Mr. Zhou Lingyun, Assistant to President of our Group entertained the visiting guests. Both parties had conducted fruitful communication and discussion for issues like domestic and foreign water enterprise co-operation, investment in public utilities and other topics in which both parties have interest. Mr. Kim,Jeong Soo expressed his appreciation and congratulations to the achievements made by Beijing Enterprises Water in recent years, and introduced to us the business and development direction of Korea Doosan Heavy Industry & Construction. Mr. Zhou Lingyun expressed his warmest welcome to the delegation led by Mr. Kim,Jeong Soo, and introduced to them the development history and current status of Beijing Enterprises Water, and shared the experience of our achievements. Both parties unanimously considered that through this communication, it will further deepen the understanding of each other and strengthen the trust between both parties, thereby paving a good start for achieving closer and honest co-operation for common development.
